

IMAGING & COMPUTER SUPPLIES

Warranty Certificate

Fullmark's computer/imaging supplies are compatible with the similar leading products in the market. Our products are developed after extensive research and development to ensure they are of highest quality products.

Fullmark makes every endeavor to ensure the products are free from defects in materials and manufacture. In the unlikely event should there be any defect found on the products or any alleged claim that a Fullmark product caused damage to the original equipment of the purchaser, Fullmark prepares to reimburse the original purchaser a reasonable amount of the repair charges as its deemed fit. All claims must be substantiated by written statement from the original equipment manufacturer evidencing the detailed damage caused. Fullmark only reimburse after duly verification made against the written statement, service invoice and the returned defected product of Fullmark.

Fullmark expressly reserved all its other legal rights whatsoever and howsoever in connection with the products sold. This Warranty Certificate is subject to the terms and conditions contained in the Product Limited Warranty, of which may vary from time to time without prior notice.
